Requirements:

- You are still eligible to take the 40-question open book recertification test if the A.S.S.E. 6010 Installer certification expiration is less than one year from date of test. Example: your 6010 Installer expired on 11/10/22. You are eligible to take the 40-question open book test until 11/09/23. **Important Note: Up until that time that you successfully pass the exam your certifications are still expired.** If your A.S.S.E. 6010 Installer certification is more than a year old, you must take the full Medical Gas Class & 100-Question Exam again. See website for applications. You must purchase your own NFPA 99 code book. Books will not be available to borrow. Please include an additional money order or bank check in the amount of \$82.00 payable to Local 777 JATC.
- **Please complete and mail in the class application included below, along with a personal check in the amount of \$60.00 made payable to Local 777 JATC. Call (203) 686-0700 x101 to cancel if you cannot make the test.** Applications and \$60 deposit checks must be received or dropped off in the locked mailbox on JATC front steps by the date specified in the table. Incomplete applications without deposit checks will not be scheduled. Examination slots are on a first come, first served basis. Maximum examinees are TBD. Cancellation without good cause or No Shows will result in your check being cashed to cover the non-reimbursable NITC fees.
